Re: Holiday Order Delivery Information!

Dear Valued Customer,

We strive to bring you the best ideas, service and pricing in the industry. As the busy holiday ordering season is upon us, we want to communicate two important things that are happening in our industry and how it relates to your orders.

1. **Inventory: Manufacturers are carrying less of it.** Inventory that we find in stock in the morning can be gone later in the day. We want to make sure this doesn't happen to your order. This year we highly recommend finalizing your orders as quickly as possible to assure inventory is available.
2. **Production time- Use *Dec 5<sup>th</sup>* as a deadline guideline:** We strive to have the fastest turnaround time in the industry. The holiday rush always presents special needs and requests, and we will do all we can to meet those needs. With inventory and production challenges this year we recommend December 5<sup>th</sup> as a deadline for your holiday ordering to assure delivery.

We are thankful for your business and support and we will be contacting you in the next few weeks to see how we can help your customer and employee gift giving this year.

Sincerely,

Rob Vanden Broecke,

Vice President of Sales & Marketing & St. Croix Customer Service Team
